

WELCOME!

MGM RESORTS
EVENT PRODUCTIONS

WE BRING IT ALL TOGETHER

When you engage an events production company, you are seeking the power of several perspectives: the business acumen to accomplish objectives on time and on budget, the bold imagination to create experiences unlike any other, and the technical expertise to deliver flawlessly every time.

MGM RESORTS
EVENT PRODUCTIONS

EVERY DETAIL FULLY COVERED

Simply put, our comprehensive, cost effective solutions provide the event experiences that you deserve, demand and expect. Our intimate familiarity with MGM Resorts venues and our long-term relationships with counterparts in sales, on-site services, catering, accounting and technical departments translates into increased productivity and a cost savings for you.

Not only do we service events at all MGM Resorts properties, we also produce events at the location of your choice.

EXPERIENCE THE DIFFERENCE

We are a unique team with a staff of talented technicians, artisans, designers, planners and logistic specialists. We possess unrivaled event and production capabilities, incorporating the most innovative resources in the industry.

We invite you to our 100,000+ sq. ft. studio to experience the breadth of services we offer: event design, entertainment, branding, social activations and technical production. We believe you will be nothing short of speechless when you see the enormity of our potential.

DESTINATION MANAGEMENT

Further adding value for our customers, we offer DMC services through our preferred partnership with ACCESS Destination Services. This strategic pairing allows us to leverage the resources of two globally recognized brands to meet the creative, motivational and budgetary needs of the professional meeting planner. Working together from concept to execution, we provide turnkey one-stop solutions for tours, recreation activities, transportation, teambuilding and CSR activities, an unparalleled offering in the industry.
